Pushing through the market square  **DSM** mothers sighing

News had just come over, we had  **5 ?** years left to cry in

News guy wept and told us,  was really dying

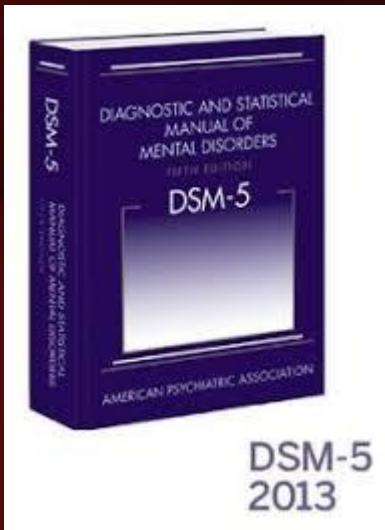

Cried so much his face was wet, then I knew he was not lying

Hoge Gezondheidsraad

We've got five years, stuck on my eyes

We've got five years, what a surprise

We've got five years, my brain hurts a lot

**We've got five years, that's all we've got**

No more bad news...  
I can't take it!!
